

Language

VM

VM Extension

The diagram illustrates the relationship between three components: Language, VM, and VM Extension. The 'Language' component is represented by a white rounded rectangle at the top. The 'VM Extension' component is represented by a hatched rounded rectangle at the bottom. A solid white arrow points from the 'Language' box down to the 'VM Extension' box. A dashed white arrow points from the 'VM Extension' box up to the 'Language' box. The label 'VM' is positioned in the center between the two boxes.
