

Language

VM

VM Plugin

```
graph TD; Language[Language] --> VM[VM]; VM --> VMPlugin[VM Plugin]; VMPlugin --> Language;
```

The diagram illustrates a three-component system. At the top is a white rounded rectangle labeled 'Language'. In the center is a dark gray rounded rectangle labeled 'VM'. At the bottom is a rounded rectangle with a diagonal hatching pattern, labeled 'VM Plugin'. A white arrow points from the 'Language' box down to the 'VM Plugin' box. A black arrow points from the 'VM Plugin' box up to the 'VM' box. A black arrow points from the 'VM' box up to the 'Language' box.
