

Language

VM

vm Extension

The diagram illustrates the interaction between a Language, a VM, and a vm Extension. A white box labeled 'Language' is at the top. A solid white arrow points from the 'Language' box down to a hatched box labeled 'vm Extension' at the bottom. A dashed white arrow points from the 'vm Extension' box up to the 'Language' box. The label 'VM' is positioned in the center of the diagram, between the two boxes.
